

# Application & Household Assessment for Discounted Health Services

## CMC Patient,

Please take advantage of our sliding fee discount program!

We would like to make it easier for you to obtain health care services from Cahaba Medical Care and we don't want to charge you full price if you qualify for a discount. If you are without health insurance, or even if you have health insurance, you may qualify for a discount, based on your household size and income. Once approved, you will be eligible for one year, and then you must re-apply.

In order to receive a discount, you MUST apply for it. Just fill out the attached sliding fee discount application and show us identification and proof of income. If you don't complete the sliding fee application in the next 60 days, we will have to charge you the full amount of your medical bill. So, please help us to help you by getting this back to us as soon as possible.

We are available to help you fill out your application. You can speak with us in the office or by telephone at your local clinic if you have any questions or concerns.

For those of you who have taken advantage of our sliding fee in the past, please note there has been a small change in our fees. However, in order to simplify the process, we are now including more services in the amount you pay for an office visit. We hope this will be of benefit to you and your family as you continue to utilize our full scope of procedures offered at Cahaba Medical Care.

**I, \_\_\_\_\_ was given a copy of Cahaba Medical Care's sliding fee application on \_\_\_/\_\_\_/\_\_\_\_. I am aware that I have 60 days to complete the application and turn it back into Cahaba Medical Care before any discount can be applied to my account.**

I also understand that if I choose not to return my application I will be expected to pay full fees at the time of service.

**Signed** \_\_\_\_\_

**Date** \_\_\_/\_\_\_/\_\_\_\_\_

Sincerely,

***Cahaba Medical Care***
